

NAGHAM MUHAMMAD

Frontend Developer & UI/UX Designer

Alexandria, Egypt | nagham2312007@gmail.com | [LinkedIn: /nagham-muhammad-7b4473413](https://www.linkedin.com/in/nagham-muhammad-7b4473413) | [GitHub: /Nagham-Muhammad](https://github.com/Nagham-Muhammad)

PROFESSIONAL SUMMARY

Dedicated Junior React Frontend Developer with a strong academic foundation in Computer Science and hands-on experience building responsive, user-centric web applications. Proven ability to translate complex UI/UX designs and Figma wireframes into clean, high-performance code using React.js and modern JavaScript (ES6+). Passionate about performance optimization, cross-functional collaboration, and clean architecture.

EDUCATION

Bachelor of Science in Computer Science 2025-2029

Faculty of Computers and Information, Damanhour University | GPA: 3.74/4.0

TECHNICAL & PROFESSIONAL SKILLS

Frontend Technologies	React.js, JavaScript (ES6+), HTML5, CSS3, Responsive Web Design
Programming & Logic	Java, C++, Algorithms & Problem Solving
Tools & Platforms	Git, GitHub, Figma, VS Code, RESTful APIs
Core Concepts	Component Architecture, Performance Optimization, Version Control

PROJECTS

UI/UX Designer 2026

Pink Bus (Women-only Transit Application) | Project Based

- Designed complex UI/UX wireframes and interactive prototypes using Figma.
- Established a clear design system to ensure a cohesive user experience across mobile devices.

Software Developer 2025-2026

Student Grade Management System | Java Console Application

- Developed a Java command-line application utilizing arrays and sorting algorithms to manage student records.
- Implemented modular logic for efficient data searching, filtering, and grading analytics.

Researcher 2025-2026

Artificial Intelligence in Higher Education | Literature Review

- Analyzed 20 academic papers regarding the integration of Generative AI in education.
- Authored comprehensive comparison reports using LaTeX and Microsoft Word.

TRAINING & CERTIFICATIONS

Frontend Development Trainee 2026

Digital Egypt Pioneers Initiative (DEPI) | Training Program

- Collaborated in cross-functional teams to complete advanced React.js assignments.
- Managed version-controlled workflows utilizing Git and GitHub.

UI/UX Design Trainee Aug 2026

Google Developer Groups (GDG) On Campus - Damanhour University

- Completed a 60-hour comprehensive UI/UX training program.
- Applied UI/UX principles including wireframing, prototyping, and usability heuristics using Figma.
